Beloved in the Lord,

Your Christian Education Team and Session have a dream for our youth on Sunday mornings. We dream of a new Sunday School experience where

- Children are excited to attend each week
- Teachers are excited about their lessons
- Children learn Bible stories that they don't forget as soon as they leave the building
- Intergenerational interaction is the norm
- Teachers are happy, if not eager, to be asked to teach Sunday school
- Expensive curriculum is a thing of the past
- Art projects are more than just 5-minute crafts that get tossed away that very afternoon
- Children don't always have to sit still and don't always have to be quiet
- A large percentage of the congregation is involved in one way or another
- Boredom is a thing of the past
- Entire families are reached by the stories and lessons that the children learn
- Unchurched children are invited, feel comfortable, and want to return
- Everyone is having FUN!!!

Do you share our dream?

This summer the CE Team discovered a new (to us) way to do Sunday School called the Workshop Rotation Model (**WoRM**, for short).

What is the **WoRM**? **WoRM** is a Sunday School model which uses *workshops* instead of *classrooms*. One Bible story is taught over several Sundays, and the children attend a different workshop each week to experience the story from different perspectives. One rotation may last 4-6 weeks, with about seven different rotations being taught over the school year. We have divided the children into two teams of mixed ages, with an adult **Guide** shepherding each team for the entire rotation. Our **Teachers** will teach the same

workshop twice in one rotation, once to each team. So, each week the teams will have a **Guide** and a **Teacher** with them in their workshops.

Every rotation will begin with a combined class where I will introduce all the kids to the new story and then Shelia will hold a Youth Choir rehearsal. Over the following four or five weeks the teams will head to one of the new "classrooms" dedicated solely to one activity for that rotation. These flexible spaces might be set up for Art, Cooking, Cinema, Science, Creative Thinking, or a Puppet Theater.

The WoRM model recognizes that the keys to retention are *repetition* and an appeal to a *variety* of ways in which children learn. While the WoRM is not a panacea for all of the difficulties associated with Sunday School, many churches that have converted to this approach report encouraging results. Our first rotations will be

Exodus: Through Water and Wilderness

This workshop teaches the four important Exodus "water and wilderness" episodes: Red Sea Crossing, Bitter Water Made Sweet, Manna from Heaven, and Water from the Rock. We fear and doubt – God saves and guides. We complain – God gives. We get

GUESS WHAT!!!

We will be receiving a new Defibrillator very soon, thanks to the inquiry from our preschool staff and one very special church member who has offered to purchase it! We are so excited for this generous donation! Be on the lookout for its appearance above the first aid kit near Pastor Marie's office!

Deborah

Discover the courage of Deborah, the female judge. Learn about the foreshadowing of the need for a leader who wouldn't die – Jesus!

Advent: Mary Accepts, Magnifies, and Ponders

Who is this young girl chosen by God to give birth to and raise our Lord? Learn how her servant spirit and overflowing heart sets the tone for our servant spirit and Christmas celebration.

Personally, I am very excited about trying this new approach at First Presbyterian. In my last church it was in full swing when I arrived and children, parents, and staff were all enthusiastic about it. I have committed to doing the overall planning for this first year and to leading a workshop during each rotation. In the weeks ahead, look for opportunities for ways in which **YOU** can be involved! This is a wonderful way to get to know the children of the church, to “love our kids into the Kingdom,” and to fulfill the promises we made at their baptisms!! Don't miss out!!!

A Special Note

Dear Congregation,
I would like to thank you all so much for the opportunity that I had of serving through your church. The people here are so nice and caring from the minute I first walked through the door.
I have learned a lot while being here.

These experiences have caused me to grow, both as a musician and as a Christian.

Again, thank you for letting me use my gifts for God.

God Bless,
Grace Beacham

Teaching Children Worship in the Sanctuary

The next three months of worship will hold a unique, important, and wonderful time for the children of our congregation. During the worship service, Pastor Marie will talk with them about each part or act of worship in our service. Beginning on Sunday, September 18 with the Call to Worship, the practice and purpose of each act of worship will be presented to the children.

Each Sunday they will come forward to learn about that particular act of worship. Because of the importance for children of experiencing the actual act of worship and learning about it at the same time, ***we will match those two events exactly.*** The children will be invited to come forward for a brief Children's Message ***immediately before the particular act of worship*** rather than after the First Scripture Reading as they usually do.

To compliment this experiential learning about worship within the worship experience, we will provide

1. A topical ***Children's Worship Activity Page***
2. An enrichment activity for the younger children who leave the sanctuary during the sermon

Families are encouraged to continue this teaching about worship at home during the week. Talk about the act of worship for the day on your way home. Mention it during the week; wonder with them what comes next and what Pastor Marie might say about it. To enhance this at-home conversation and reinforce the learning, we will have available a sheet of ideas for following up on each topic.

We look forward to exploring the parts of the worship service with the children, but these Children's Messages are not just for children! As a congregation we all will more fully understand the purpose and practices of our worship traditions. Join us every Sunday!

*In Christ's Service,
The Christian Education Committee Team and Pastor Marie*

Hello, everyone!

We are very excited to begin the 2016-17 preschool school year! We are very pleased to be welcoming our new teachers, **Ms. Shelby** and **Ms. Kara** in our 3 year old classroom and **Ms. Jennifer** in our 4 year old classroom. We look forward to all

of their new ideas to help further our learning experiences!

Preschool orientation is August 31 at 10:30 a.m. Our first day of school will be Wednesday, September 7. Some of our first themes will be Apples and Bears. We will take our annual field trip to the Fire Station on Wednesday, September 28. The children always enjoy meeting the Firefighters and learning about fire safety.

This school year, we are excited to be extending an invitation for church members to volunteer with the preschool. If you have any talents or time that you would like to share with us, please pick up a form in the church office from **Ms. Gloria**. We keep very busy and would be very grateful for any support that you may be able and willing to offer. No contribution is too small. We have many volunteer opportunities ranging from handing out Halloween candy, to cooking, to reading to the children.

We are very blessed to have you as a part of our preschool family!

With Gratitude, Jessica Arnold

Time and Talent — It has been several years since our Church family has completed a Time and Talent form. The forms have been in the Sunday bulletin and can also be obtained in the church office or on our website (go to About Us > Resources). The forms have been updated and we are asking every individual to complete a form even if you filled out a form years ago. We will compile this list so it can assist the session and ministry teams of our church with matching your time and talents so that we can all continue growing in Christ. Thank you for taking a few minutes to complete the Time and Talent form.

Thank you for your support — The Stewardship Team

Rev. LaVera Parato, pastor at Antioch Presbyterian Church, gave highlights of recent meeting of General Assembly in Portland, OR: changes in Directory of Worship in Book of Order requiring approval by Presbyteries in area of sacraments, allowing open table theology; requirement that all churches adopt a Child and Youth Protection Policy (we have already adopted this policy); return to former terminology: "Minister of the Word and Sacraments," "Elder," and "Commissioned Lay Pastor" to replace "Teaching Elder," "Ruling Elder," and "Commissioned Ruling Elder;" apologies: race issues, LGBT (issued a Statement of Regret); voted for selective divestment of investments. Concerns involved the number of applicants interviewed and the lack of active interest due to low salaries. Pastor Marie revised Jessica's budget proposal in order to increase salaries and include items such as custodial salary and purchase of new playground equipment. The new budget was approved along with the decision to move \$10,000 from the preschool checking account to the church general fund. Jessica presented the 2016-17 calendar with minor changes, including the Wednesday a.m. mom's prayer group with Marie on Wednesdays, 9 – 10:00 a.m., beginning in October. The new preschool staff has been hired and will begin workdays August 22 with orientation on the 31st and first day on September 7. A CPR class is scheduled for August 19, 9 a.m. – 1 p.m., for five participants and can include any others interested for a \$55 fee. (Since the CPR class includes defibrillator training and Gloria will be a participant, the committee decided to present the idea to the Session of purchasing a defibrillator for the church.) *Clerk's note:* see authorization in Action Items above. This year the preschool staff hopes to include church members by welcoming all who are interested to read a story, share an experience, or help with activities. At present the enrollment count is 20 with 8 applications out – an anticipated 28 students.

Property: Members received a copy of a check in the amount of \$2,044.22 from Duke Energy reimbursing for repairs/replacement of items damaged by power surge: wireless thermostat, \$973.20; answering machine, \$29.95; printer, \$320.99; fan, \$30.82; organ repair, \$480.67; computer CPU, \$208.59. A discussion was held regarding the need for high-quality security cameras; Property will investigate.

Stewardship: (Copied from submitted report)

Ministry Teams will be asked to prepare budget for Treasurer in September. A narrative budget, like the one used in 2015, will be made based on Ministry Teams' budgets. The budget will be sent to the congregation early November for prayerful consideration.

Dedication Sunday will be November 20.

Reminder that there is money in the Memorial account for special requests that fit Memorial guidelines. If your team has a request, please submit to Marilyn Danford. Financial Statements were reviewed by the Treasurer and team. Based on the summer months, we were in agreement that the finances of the church were in line with expectations and budget.

Treasurer: Report for month ended July was presented with no extraordinary expenditures.

Worship: (Copied from submitted report)

Pastor Marie has worship services prepared through September, with the rest of the year soon to follow. She is requesting pulpit supply for 2016 for the following dates: 10/16, 11/13, as well as for 01/01/17. Children's worship beginning this fall will be TEACHING CHILDREN WORSHIP IN THE SANCTUARY—the various parts of our worship service will be taught to the children as these parts naturally occur during our worship service.
